Our **New Season** highlights include the effortlessly brilliant **Inside Llewyn Davis** and must-see drama **12 Years A Slave**. **American Hustle** and **The Wolf Of Wall Street** offer lighter entertainment; recent Oscar and BAFTA nods attest to some strong performances from their leads.

We are also pleased to be showing a special preview of **Nymphomaniac**. Whilst surrounded by the buzz you would expect from the taboo-breaking director of films such as **Antichrist** and **Melancholia**, the film is thought-provoking and soulful – come and make up your own mind.

We are also showing some acclaimed films from the past – musical caper **Singin' In the Rain** might just leave you dancing in the aisle. Or for a more relaxed night out, why not nestle in our comfy seats with a glass of champagne and enjoy our screening of **Breakfast At Tiffany's** on Valentine's Day?
